Jupyter works

```
In [1]:   1  import numpy as np
          2
          3  arr = np.ones(10, dtype=float)
          4  print(arr)
          5  print(arr.shape)
          6  print(arr.dtype)
```

```
[ 1.  1.  1.  1.  1.  1.  1.  1.  1.  1.]
(10,)
float64
```
